

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

IN THE MATTER OF:

NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF)	CASE NO. 6602-QQ
EQUITABLE GAS COMPANY)	

O R D E R

On December 8, 1976, the Commission issued its Order in Case No. 6602, approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On March 7, 1990, Equitable Gas Company ("Equitable") notified the Commission that its wholesale cost of gas was decreased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective February 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission. On March 19, 1990, Equitable applied to modify its filing by correcting a mathematical error in the calculation of its retail rates proposed in the March 7, 1990 filing.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Equitable's notice of March 19, 1990 set out certain revisions in rates which Equitable proposed to place into effect, said rates being designed to pass on the wholesale decrease in

price from its supplier in the amount of \$344,864 or 61.43 cents per Mcf.

(2) Kentucky West applied with the Federal Energy Regulatory Commission for decreased rates to become effective February 1, 1990. The effective date for the decrease in Equitable's rates should be on and after February 1, 1990. Kentucky West's rates are subject to refund; hence, Equitable's rates should be subject to refund.

(3) The adjustment in Equitable's rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 6602 dated December 8, 1976 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after February 1, 1990, subject to refund.

(4) Equitable should file with this Commission the amount of any overcollections received from February 1, 1990 to the date the proposed rates are implemented, along with a refund plan.

IT IS THEREFORE ORDERED that:

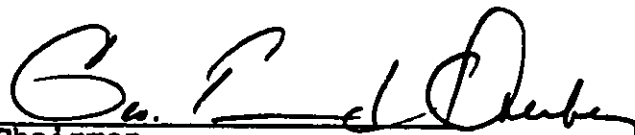

(1) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after February 1, 1990, subject to refund.

(2) Within 30 days of the date of this Order, Equitable shall file with this Commission its revised tariffs setting out the rates authorized herein.

(3) Within 30 days of the date of this Order, Equitable shall file the amount of any excess revenues collected, along with a refund plan.

Done at Frankfort, Kentucky, this 30th day of March, 1990.
